Introduction

This Passport is designed to help you keep track of your 4-H awards, achievements, and activities. Not only will it serve as a ready reference but, if properly maintained it will assist you in completing applications for awards, scholarships, and programs.

This passport is intended to accompany you and be completed over the course of your 4-H career. Fill in the individual dates and details as they occur. Keep the records up to date, and they will be more valuable. We would suggest keeping this passport in a three ring binder so that you can add plastic sleeves to protect the awards you receive. For information about specific criteria for 4-H awards, see Publication #128 4-H Award Opportunities Guide.
